

Remodeling Process

GETTING STARTED

1. Gather a scrapbook of notes, photos, and articles that you have collected.
2. Get together with your family and ask them for their input and wish lists.
3. Come up with a budget you can live with.
4. Draw a rough sketch of your floor plan and take measurements
5. If you would like, print and fill out the Kitchen Planning Guide.
6. Call us to make an appointment, or request service from our Website.

AT APPOINTMENT

The first time we visit your home we will:

1. Answer any questions you may have.
2. Review and/or assist you in establishing a budget. Give you some "ballpark" pricing.
3. Discuss your scrapbook of ideas (if you have one.)
4. Discuss your floor plan (if you have one) and go over some design ideas.
5. Discuss your plans for utilizing the room you will be remodeling.

IF YOU LIKE WHAT YOU SEE

1. We will come to your home again and take precise measurements.
2. We will create a design, draft perspectives of a floor plan.
3. We will discuss the design and pricing and discuss any potential modifications you would like to make.
4. The design and installation specifications are then completed and your project is scheduled!

THE INSTALLATION PROCESS

Several different LEVELS OF SERVICE are offered:

1. We will complete your entire project from tear out to final completion. You don't have to do a thing!
2. We can provide "Supply Only" cabinetry, or cabinetry and countertops, (with or without sinks), backsplash installation and flooring installation, or you may elect to do partial of the project yourself or we will be happy to work with your other contractor, architect and/or designer to coordinate the installation.
3. You can suggest any level of service in-between to satisfy your needs!

We are carpenters whose skills have been passed down from father to son and are expert craftsmen that show great attention to detail and take pride in professional service. In addition to offering installation for everything, care is taken to treat your home as if it were our own. Take comfort knowing that once your project is started - we will work diligently until it's done!
